

TRT Manufacturing Expands Digital Presence with *Instagram and Facebook Profiles.*

[Johannesburg, 5 October 2023] - TRT Manufacturing, a leading name in research and development and 3rd party manufacturing, is thrilled to announce the launch of its official Instagram and Facebook profiles. This strategic move is aimed at enhancing the company's online presence and aligning its messaging across multiple platforms.

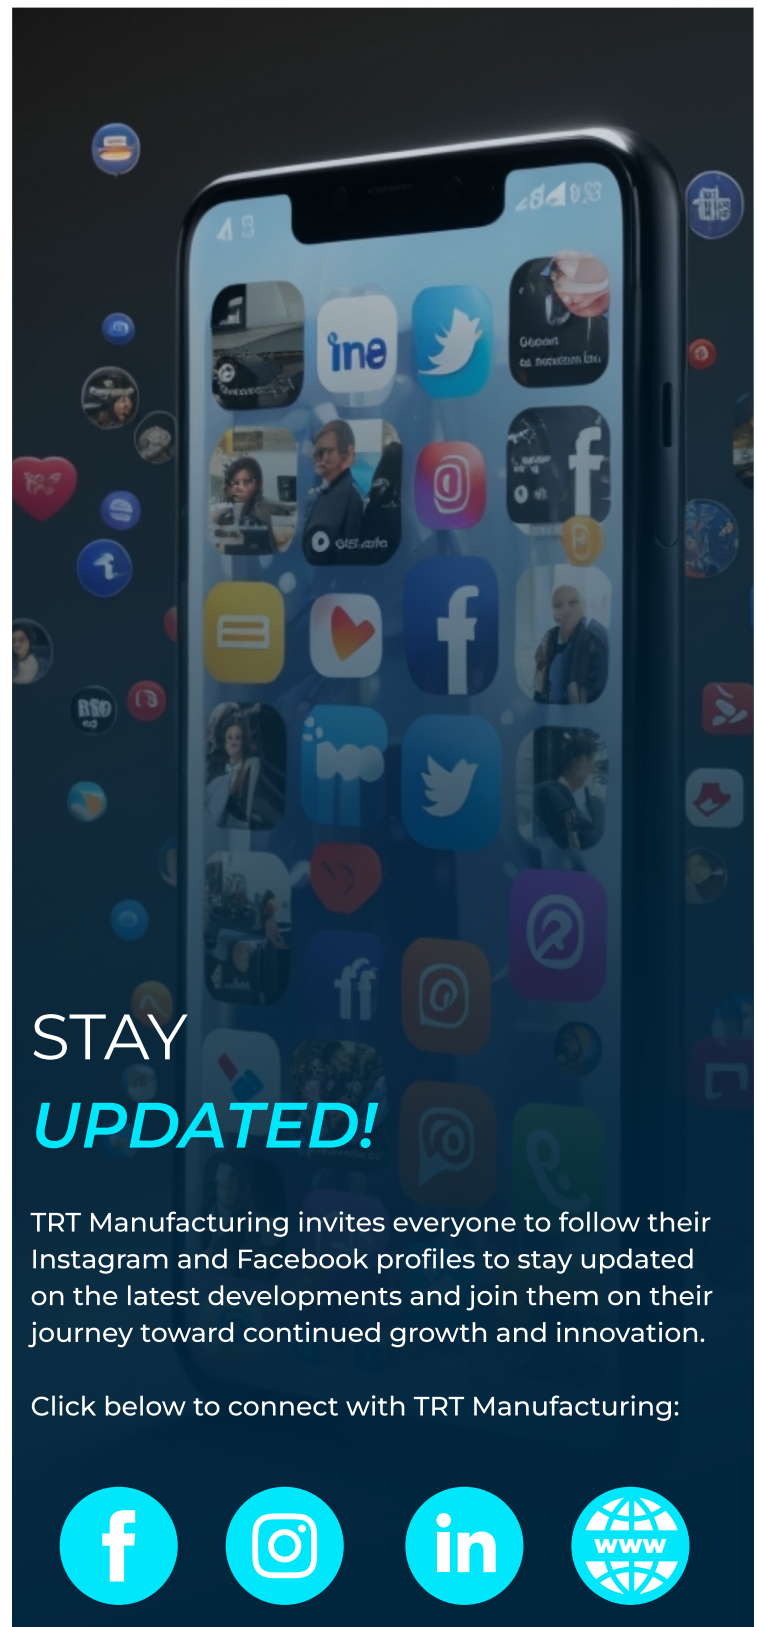

TRT Manufacturing has always been at the forefront of innovation in the research and development of client centric solutions in the 3rd Party Manufacturing industry, providing cutting-edge solutions to its clients. With the launch of these new social media profiles, the company is taking a significant step forward in its digital journey.

"Our expansion onto Instagram and Facebook represents a pivotal moment for *TRT Manufacturing.*"

The company's Instagram and Facebook profiles will serve as a hub for sharing exciting updates, behind-the-scenes glimpses into their R&D process, success stories, and more. By actively engaging with their audience on these platforms, TRT Manufacturing aims to foster a stronger sense of community and transparency.

Moreover, these profiles will seamlessly link with TRT Manufacturing's website and LinkedIn page, ensuring a cohesive and consistent message throughout all online channels. This alignment underscores the company's commitment to conveying a unified image of a research and development and 3rd party manufacturer poised for growth.

"Our expansion onto Instagram and Facebook represents a pivotal moment for TRT Manufacturing," said Mathew Bird, the company's General Manager. "We believe that these platforms will not only help us connect with our current stakeholders but also reach new audiences who are passionate about innovation and manufacturing excellence."
